Recreation Committee Report

Jerry Powers of the Recreation Committee announced the Committee will be meeting Wednesday evening at 6:00 pm at the Visitor's Center to elect new officers and will also be accepting new members at the meeting.

Chairman Maguire noted that the activities at the Nature Park and the walking and hiking trails were positives in 2020.

Linda Calhoun questioned why the procedure for adding members to the Recreation Committee differs from the procedure the Supervisors follow when making appointments to various Township Boards.

Chairman Maguire explained that the Supervisors must follow the procedures in the PMPC (Pennsylvania Municipalities Planning Code) in the creation of and in making appointments to the Planning Commission, Municipal Authority and Zoning Boards, etc., and the Township is not required to have a Recreation Committee under the PMPC.

Supervisor Calhoun stated that the Recreation Committee submits the names of individuals who would like to be appointed to the Committee for the Board of Supervisors to approve.

Linda Calhoun also expressed concern about the fence by the ice skating rink and noted there is an American flag leaning against the pole in front of the Dentist Office on McElhattan Drive.
