**Code Enforcement**

Supervisor Calhoun asked what the status of the cleanup of the Bowmaster property and Terry indicated that he spoke to Solicitor Ryan and the property needs to be inspected by Mark's Pest Control and are in the process of scheduling the inspection.

Solicitor Ryan added that having the property inspected was the last piece to complete the complaint to be filed to either indicate that there were vermin discovered or whether the premises harbored or could harbor vermin. As soon as we receive the report from Mark's Pest Control we can move forward with the complaint.

## **Monthly Engineer's Report**

Township Engineer John Segursky, P.E. presented the following report:

- 1) The final plans for the Linnwood Driving Paving Project should be ready for review at the October meeting and should have the Highway Occupancy Permit for the driveway alteration. He said he was a little disappointed with what PennDOT will allow the Township to do at the entrance of Linnippi because it limits what we will be able to do to create a better entrance for trucks.
- 2) The ball field drainage issue has not been resolved. John will set up a time to look at that area with one or all of the Supervisors at the site to figure out a solution to the problem.

## **Recreation Committee Report**

Jane White of the Recreation Committee reported that the path will be decorated for the children and ready to use beginning October 22<sup>nd</sup>; the Trunk or Treat has been scheduled at the Nature Park for October 29<sup>th</sup> at 4:00 pm.

Jane also reported that a workday will be held to spread mulch at the Nature Park.
